Boulder, CO 80301

Dear Cozy Coats for Kids,

On behalf of Birth Brite Company Inc, I am writing to thank you for your recent in-kind donation of 40 winter coats. Through partnering with our program, Birth Brite Foster Closet, your generosity has touched the lives of many.

Our event Coats & Comfort II was a huge success! On 10/23/2022, we were able to provide brand new winter coats, hats, gloves, boots, blankets and comfort items to 91 children experiencing foster care. It's amazing what can happen when we work together. Providing 91 children with warm winter apparel goes far beyond physical warmth, the gift of a coat and boots radiates outward, and helps make children in foster care a little less vulnerable.

You truly made a difference for Coats & Comfort II and for youth experiencing foster care.

Thank you again for everything. Visit our website, birthbrite.org, to learn about future events and more ways to get involved. You can also email us at contactus@birthbrite.org or give us a call at (517) 769-0996.

With deepest gratitude,

Monique Zantop
Co-founder & CEO of Birth Brite Company Inc.
