

SAMPLE FOR PERMISSION TO USE PHOTOGRAPHS

In consideration of your organization's making one or more coats available to my child or children through Cozy Coats for Kids, Inc., a Colorado nonprofit corporation (CCKF), we grant CCKF permission to use photographs of my child or children receiving the coats in press releases, marketing materials, and on its website. This does not authorize CCKF to identify my child or children by name or to reveal their address or other personally identifying information.
